CAOS-INTERNATIONAL 2006 Conference Exhibit Rules and Regulations

Part of Contract: These rules and regulations constitute a *bona fide* part of the space contract. The Exhibits Manager reserves the right to render all interpretations and decisions, should questions arise, and to establish further regulations as may be deemed necessary to the general success and well-being of the overall exhibit area. The Exhibit Manager's decisions and interpretations shall be accepted as final in all cases. Infractions of these rules on the part of the exhibitor or by any of his/her representatives may subject the exhibitor to dismissal from the exhibit area. In this event, the exhibitor or representative shall make no demand for redress.

Booths: Each 10' x 8' booth will include a draped backwall and siderails, one (1) 6' table, two (2) chairs, one (1) wastebasket and a sign (to be provided and prepared by a local display company). Information regarding drayage, shipping and receiving of materials, and set-up/tear-down guidelines will be sent upon receipt of the signed contract.

General Exhibit Area Rules: Consideration for fellow exhibitors is necessary. Accordingly, the following regulations will be strictly enforced:

- Noisy and/or undignified displays, including sound devices, flashing lights, megaphones, loud speakers, and/or sideshow tactics will be prohibited. In the event of a dispute, the Exhibit Manager's decision will be final. Any noise creating devices shall be operated at a level that will not interfere with other exhibitors. Exhibitors may be asked to accept specific assignments to reduce any interference.
- Displays will not be allowed to be arranged in a manner that makes it necessary to for the exhibitor, or representatives thereof, to stand in the aisle in front of the booth in order to conduct sales; nor shall they be set up to extend beyond the space limits of the booth.
- No part of the building shall be defaced in any manner, nor shall signs or other articles be posted, nailed, or otherwise affixed to any pillars, walls, doors, or other parts of the building. Any damage incurred (including damage to any carpeting) will be the responsibility of the exhibitor.
- Direct selling which involves the exchange of funds, within the exhibit areas by any exhibitor or their agents, is strictly prohibited.

Space Assignment: Space assignments will be made on a "first-come, first-served" basis. The date of receipt of the signed contract will determine the "first-come, first-served" basis. There will be an additional \$500 surcharge for booths that advertise more than one company.

Deposit and Payment: Applicants for exhibit space are required to fill out and forward the formal contract provided. Any exhibitor who fails to make payments when due expressly waives all rights in the reservation of and use of space. The Exhibits Manager shall have full right to consider this contract terminated, and retain as liquidated damages all monies paid and to lease the space so reserved to another exhibitor.

Use of Space: No exhibitor may assign, sublet, or apportion his/her space in whole or in part, nor exhibit any products or services other than those manufactured or handled in the

normal course of his/her business, nor permit any agent of any non-exhibiting firm to solicit business or take orders in his/her space. Only those firms, which have engaged in contracting exhibit space, will be allowed to display advertising materials or signs, and to make solicitations for business. Special written arrangements with the Conference manager should be made in advance if two or more firms wish to exhibit in a single space.

Exhibit Installation/Dismantle: Installation is set for Wednesday, June 21, 2006, between 1:00 p.m. and 6:00 p.m. Every effort will be made to have exhibit material in each booth and to be ready for setup by 3:00 p.m. on Wednesday, June 21st. No packing of equipment, literature, etc., and/or dismantling of exhibits will be permitted until the exhibit area officially closes on Saturday, June 24th at 1:00 p.m. All exhibits must vacate the premises by 5:00 p.m., on June 24th. *The executive Conference Committee has the right to amend these times if necessary.*

Insurance: It shall be the responsibility of each exhibitor to maintain insurance against injury to person or damage to or loss of property in such amounts as the exhibitor shall deem adequate. Insurance protection will not be offered to the exhibitor either by the Conference Committee, the Sponsors or PMMI.

Liability: All organizations or individuals who are employed by or associated with the Conference in connection with this exhibition will not be responsible and shall be held harmless by all exhibitors for damage or loss resulting from fire, theft, or any cause whatsoever, including accident or injury to exhibitors, their employees, agents, the public, and others. The exhibitor agrees to pay promptly for any and all damage to the exhibition building or its equipment incurred through carelessness, or otherwise, of exhibitor, its employees or agents.

The Conference Committee, the Sponsors, or PMMI will not be held responsible for damage incurred for exhibitor's property, or lost shipments either en route or afterwards, nor for costs of shipping. Damage resulting from inadequately packed property is the exhibitor's responsibility. If an exhibit fails to arrive, the exhibitor remains responsible for the exhibit space rental.

Security: The Conference Committee, the Sponsors, and PMMI will not guarantee exhibitors against loss or damage of any kind. This is an open booth show and the primary responsibility for safeguarding your property is yours. The Conference Committee, the Sponsors, PMMI, or any of their officers, agents or employees, assume no responsibility for such property (*see Insurance and Liability*).

Booth Cancellation: 1) If a company/organization cancels its contract for booth space prior to April 1, 2006, the company/organization will be responsible for 50% of the rental cost. 2) If a company/organization cancels its contract after May 15th, the company/organization will forfeit all monies paid and are responsible for paying the full cost of the booth rental space. All cancellations must be made in writing. No refunds will be made for exhibit space not used or only partially used.
